## Description

The Disco Ball Play Panel is a fun activity panel that is simple and cost effective. Providing children with a panel that is good for social interaction with each other and encourages them to play imaginatively. This Panel has an easy to spin rotating disco ball that uses natural daylight to reflect onto the playground. All AMV Play Panels can be wall mounted or mounted onto posts fixed into the ground. Multiple panels can be installed side by side or back to back. Please ask for further details of the options available.
