Understanding the World

## Description

The How Tall Are You - Beanstalk Play Panel is designed for children to measure their height as part of a game or to compare with their peers. How tall are you play panels are fun and educational, and can be manufactured in either 12.5 mm thickness panels for wall mounting or in 19 mm thickness for attaching to posts, or where there is less support. Bespoke design options are also available. All AMV Play Panels can be wall mounted or mounted onto posts fixed into the ground. Multiple panels can installed side by side or back to back. Please ask for further details of the options available. Part of Capita plc
