Description

The Play Chimes Musical Play Panel contains 8 stainless steel chimes. The main panel is made from HDPE and the stainless steel chimes are spaced further apart making this panel ideal for younger children. Available in matching colours as standard, all the musical panels can also be specified and manufactured in your own colour options, with your own graphics, in panel shapes and sizes to suit your own range or scheme. All AMV Play Panels can be wall mounted or mounted onto posts fixed into the ground. Multiple panels can be installed side by side or back to back. Please ask for further details of the options available.
