Description

The Weaving Fun panel is a really smart arts and crafts play panel which features a multi-holed, clear polycarbonate weaving matrix. Fully compliant with EN1176 the matrix holes are safe and easy to thread the large diameter cord in and out of by hand to create colourful patterns and designs. All AMV Play Panels can be wall mounted or mounted onto posts fixed into the ground. Multiple panels can be installed side by side or back to back. Please ask for further details of the options available.
