This product supports the following areas of child development.

Fine Motor Skills

Inclusive Play

Auditory  
Stimulation

Musical Play

## Description

This bouquet of six cheerful and eye-catching musical flowers (C5-A5) are available individually or in two posy arrangements (Major Posy and Minor Posy) each with three flowers. With their bright, fresh colours, these sweet musical flowers cannot help but give everyone that spring feeling.

Each Flower is made with a stainless-steel frame, with powder-coated aluminum flower petals and bells. The bells sing when struck with the attached moss green vandal-resistant beater.

These eye-catching cheerful playground additions will stand out in a park, playground, or public garden and make an ideal choice for smaller budding musicians.
