Description

SunHub elevates Plateau Picnic to another level.

SunHub adds a third “plateau”™ to the furniture, enabling new technical features and new application possibilities.

With SunHub, Plateau Picnic become more than just a piece of furniture, it becomes a social “hub”™.

It allows users to listen to music via the built-in speakers and Bluetooth connection, charge their phones wirelessly or by cable and PC-charging.

In the evening light from the SunHub grazes the tabletop, creating a cozy atmosphere.

The SunHub is 100% solar powered, resistant to weather conditions, intelligently controlled and CO2-neutral.

Material

Base and top: Steel, galvanized and powder coated

Solar panel glass: 4mm tempered glass with integrated solar panel

Display top: 3mm Break-free polycarbonate (PC)
