Description

Specially designed for children under the age of 11, Key Stage 1/2, our seated leg press is suitable for all abilities from beginners upwards. This simple yet effective piece of equipment is easy-to-use. Once seated, children use their legs to push their seat away from the frame working using all their leg muscles. Kids love working in pairs, and they get the opportunity with the seated leg press. Working opposite each other naturally encourages bigger, longer presses!

BENEFITS

- Exercises the legs
- Improves balance, flexibility and strength
- Improves physical literacy
- Can be used by one or two children at a time
- Can be incorporated into lesson plans
