Description

The Eco-Rain Wheel features mesh and ball bearings that plays rain/maraca sounds. Simply turn the wheel to hear the wonderful rich rain type sound!

Constructed from durable and hard wearing HDPE, the Eco-Rain Wheel features decorative green and black HDPE wheel side panels with an orange peel finish, which spin as the rain wheel is turning, stainless steel mesh and ball bearings for longevity and stainless steel fasteners. The posts are black as standard. Very low maintenance and a great addition to the playground.
