Musical Play

Description

The Eco Bell tree features three bells that produce high quality sound. Ring the bells to gather your friends for some musical play time.

Constructed from a HDPE mounting bracket and fascia panel, this product features stainless steel bells and a beater tethered by a stainless steel wire rope and fasteners. More suited to controlled environments than public play areas. Enjoy some music in the playground and create a popular zone.

Product Features

- 100% recycled plastic post
- HDPE mounting bracket and fascia panel
- Polished stainless steel bells
- Beater tethered by stainless steel wire rope
- Stainless steel fasteners
- Also available without post
