Inclusive Play

Auditory Stimulation

Musical Play

Description

The Spin Maraca Tree has 3 colour coded drums filled with different sizes stainless steel balls, to give you a different sound from each maraca. Due to the smaller and lighter size of the spin maracas it is easy to create a true maraca style percussion accompaniment for your musical composition. The drums rotate on stainless steel bearings, so they are easy to play. The design is ASTM and EN compliant.

Product Features

- Colour coded maraca drum sides
- 3 different maraca sounds
- Easy spin with stainless steel axel bearings
- ASTM Compliant
- Includes aluminium T-Slot post
