## **Description**

Captivating and enchanting sounds by just rotating the drums.

The Virtuoso Melody Wheels Play Panel has two drums with different tones. The drums are mounted on stainless steel roller bearings making them easy to spin and play. The panel and drums are highly durable and constructed from HDPE. Supplied as standard with Aluminium Posts finished in Slate Grey, the posts are ASTM and EN compliant and are finished with a post cap at the top. These new posts allow for multiple configurations due to the t-slots being positioned at 45 degree intervals
