Description

The Multi-Play Double Tower is a great interactive product which includes a slide, a bridge between the two towers and multiple stair entries

The multi-play Double Tower module is made from HDPE and stainless steel for long lasting quality. Each module is durable and safe and requires minimal maintenance. All entry panels, barriers and handrails are constructed from HDPE. The deck height is 900mm with slip-resistant decks and treads and has been designed to BS EN 1176 standards.

- Recycled plastic posts
- 900mm deck heights (others available)
- Slip-resistant decks and treads
- Stainless steel brackets and fasteners
- HDPE entry panels, barriers and handrails
- Bespoke designs and personalisation designs to order
- Designed to BS EN 1176
