Description

Our Madera line consists of unique playground equipment made of stainless steel with a natural look.

On the Madera Combi, kids can play together and meet at the two climbing platforms. At the same time, the curved poles, with special, strong light-brown coating, stimulate the imagination of children playing, because a curve like that could be anything. Playing elements Madera Combi: climbing net, walk-on net, climbing platforms, fire pole, balance beam with retaining rope and slide. The Madera Combi is standard equipped with green ropes.

BENEFITS

- Play equipment with a natural look for natural playgrounds.
- Transparent play equipment, keeping sight lines open.
- Ropes are available in the colours: reed, blue, green and black.
- TÜV certified.
