This product supports the following areas of child development.

Imaginative Play

Description

Our Madera line consists of unique playground equipment made of stainless steel with a natural look.

This children's Playhouse with open character is equipped with a roof, two sides, floor and two benches. At the same time, the curved poles, with the special, strong light-brown coating, stimulate the imagination of the children, because a curve like that could be anything. Parents can monitor their children playing in this cottage. The Madera Children playhouse is standard equipped with green panels and a green roof.

BENEFITS

- Play equipment with a natural look for natural playgrounds.
- Transparent play equipment, keeping sight lines open.
- TÜV certified.
