Play Values

This product supports the following areas of child development.

Balancing

Jumping

Gross Motor Skills

Co-Operative Play

Description

Our Madera line consists of unique playground equipment made of stainless steel with a natural look.

The Madera Steppingpoles can be placed separately or can be combined with other devices. For example, children are more challenged in their play to get from one device to another when you combine the steppingpoles with other equipment. The Madera Steppingpoles come standard with green EPDM.

BENEFITS

- Play equipment with a natural look for natural playgrounds.
- Transparent play equipment, keeping sight lines open.
- EPDM rubber is available in multiple colours.
- TÜV certified.
