Climbing

Co-Operative Play

Description

Our Madera line consists of unique playground equipment made of stainless steel with a natural look.

The Bambino Columbus is an abstract ship with several climbing platforms on which smaller children can play together. In addition, the Bambino Columbus consists of the play elements: climbing nets, a climbing panel, wobble bridge, ladder and slide. The Bambino Columbus is standard equipped with red climbing nets. The elements of the wobble bridge come standard with blue EPDM.

BENEFITS

- Children up to 6 years visibly develop their motor skills using Bambino playground equipment.
- Abstract shapes stimulate children's fantasy.
- Available in any standard RAL colour.
- Ropes are available in the colours: reed, blue, green and black.
- EPDM rubber is available in multiple colours.
- TÜV certified.
