Play Values

This product supports the following areas of child development.

Balancing

Stretching & Flexibility

Gross Motor Skills

Co-Operative Play

Description

Children need age-appropriate playground equipment designed specifically for them. Our play equipment supports the motor skills, cognitive development and social/emotional skills.

This large disk of 2 metres in width is wide enough for several children to have fun. Because the disk is at an angle, it's even more fun to play on. Get spinning! The Dutch disk is standard equipped with blue EPDM on the platform.

BENEFITS

- Stimulates movement and interaction.
- EPDM rubber is available in multiple colours.
- T&A certified.
