Description

Our Madera line consists of unique playground equipment made of stainless steel with a natural look.

The Bambino Storm is a sand play equipment with which children can lift sand, but also climb up. Play elements: climbing panel with open and closed meshes, a bucket with chain, open tube to collapse the sand, climbing platform and an overrun net. The Bambino Storm is available in every standard RAL colour. The ramp is available in the colours black, red, blue and green. Device is also available with a wooden platform.

BENEFITS

- Children up to 6 years visibly develop their motor skills using Bambino playground equipment.
- Abstract shapes stimulate children's fantasy.
- Available in any standard RAL colour.
