Stretching & Flexibility

Description

Our Mini Goal Wall with Netball is the ultimate solution for schools needing a budget-friendly and space-conscious option for active play. Designed to encourage fun with both football and netball, its a durable and low-maintenance addition to any playground.

Made from long-lasting high-density polyethylene (HDPE) panels and mounted securely on steel posts, this equipment is built to withstand heavy use and harsh weather conditions. The goal targets, wickets, and other engravings are UV-stable, ensuring they wont fade or peel over time.

FEATURES:

- Multi-use design: Football goal target and netball hoop in one compact fixture.
- Durable materials: Constructed from HDPE panels that are resistant to wear and tear.
- UV-stable engravings: Goal, targets, and wickets are engraved into the material, ensuring they never fade or peel.
- Secure installation: Mounted on steel posts, concreted securely into the ground for maximum stability.
- Budget-friendly: An inexpensive option without compromising on quality or durability.

Perfect for schools or community centres looking for a practical, affordable, and engaging piece of playground equipment.
