Description

AMV have developed a range of fun, colourful and safe adventure playground equipment, which can be arranged to meet your individual requirements.

The portfolio of activity climbing frames incorporate challenges for physical balance and co-ordination as well as building body strength along with imaginative play.

AMV also offer a range of safety surfacing and grass matting to go under the playground equipment

All AMV Timber Activity & Fitness Trail equipment is made from sustainably sourced timber and available in two grades of high-quality timber with respective warranties of 10 or 15 years.

Steel feet available as optional extra
