

Phonic Frog

Product Code AMVF4-PM-058

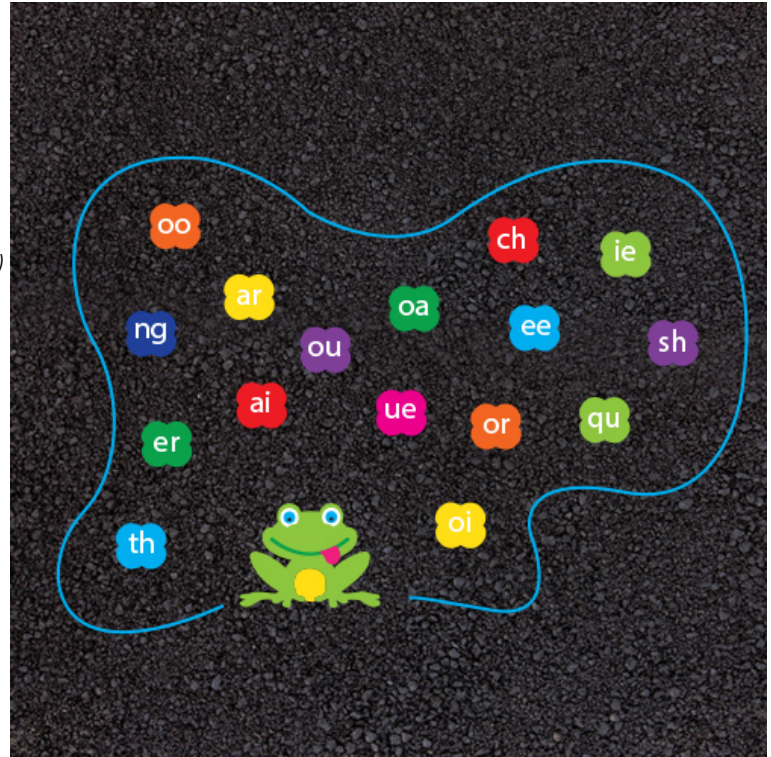

£578

Price includes installation (Min. order value Â£1,000 plus VAT applies)

Dimensions:

Length 8000 mm
Width 5000 mm

Key Stage:

Play Values

This product supports the following areas of child development.

Jumping

Phonics & Spelling

Description

Phonics are a method of teaching children to read by correlating and recognising sounds with symbols in the alphabet. Phonics is now recommended as the first strategy that children should be taught in helping them to learn to read. Children are taught the sounds first, then match the letters to them. Phonic frog is a fun way for children to learn the symbols whilst having fun jumping from sound to sound.
