## Description

Made in a contemporary style, our beautiful Mirror Chimes will reflect light and add sparkle to your outdoor environment. The highly polished stainless steel notes are arranged in the Pentatonic C-Major Scale (C4-C6) using the universal mounting brackets which can be used on virtually any surface. These chimes will have a visual and auditory effect. The unique mirror finish will add intrigue and light, great for a dark courtyard garden or sensory area. They will reflect the surrounding environment as well as the players for an added fun element.
